

Rambler Round Up 17th February 2019

Ok folks it's getting time for another Round Up. This is open to all HETNR (Hudson, Essex, Terraplane, Nash, Rambler) & Rambler club members and any friends with these cars.

For the next "Round Up" We would like to invite anyone who would like to take their Ramblers (or other HETNR cars) out for a drive to join us for breakfast on the 17th of February 2019 at **Porters Plainlands Hotel, 66 Laidley-Plainland Road Plainland Queensland 4341 at 8.30am**. I have a table booked under the Hudson Rambler Club. I have also been informed that the Plainlands markets start up for the year on the 17th also from 7am-12pm.

I will organise a cruise from the truck weigh bridge on the Gateway Motorway to Plainlands on the day and advise of the cruise as soon as possible.

We look forward to seeing all who can attend and hope to see your cars out of their garages. Any further info please email me on gmurphy09@optusnet.com.au or 0407209160.

Garry Murphy
